

KEY HIGHLIGHTS - Botswana

This one-pager aims to provide a brief overview of the most salient features of Botswana's national cooperative landscape, based on the detailed input provided by the ICA membership.

Botswana counts one ICA member organisation, the Botswana Cooperative Association (BOCA). BOCA, a full member of the ICA, is a national apex organisation with members active in the following categories:

- Financial
- Non-financial
- Service cooperatives
- Producer/Worker cooperatives

The data below was gathered through compiling the member's replies to a common questionnaire. For further information, readers are invited to check the methodology in the full report section.

The following national figures have been compiled based on the ICA member's data relative to their own member organisations:

Number of cooperatives	43
Number of memberships	57 373
Number of employees	873

In addition, the following gender, youth and employment data was compiled based on BOCA's membership replies:

	MALE	FEMALE	YOUTH

EMPLOYMENT	358	284	231

These figures are further developed and broken down in the complete Botswana report, freely available online on the [#coops4dev website](#).
